## We warmly invite you to the 65th World Ploughing Championship 2018 in Germany.

After 1958 in Hohenheim/Baden-Württemberg, 1978 in Wickstadt/Hessen and 1998 in Altheim/Bavaria, the 2018 World Ploughing Championship is taking place in Germany for the fourth time. The venue is 'Hofgut Einsiedel' in Kirchentellinsfurt/Baden-Württemberg, owned by the Court Chamber of the House Württemberg.

The organizer, the 'Kuratorium Weltpflügen 2018 e.V.', chaired by Mr Wolf, is pleased to invite the world's top ploughmen, their attendants and accompanying persons from over 30 countries and all the continents of the world to the 'Hofgut Einsiedel' from 26th August to 2nd September 2018.

In addition to the World Ploughing Championship in 2018 for grass and stubble ploughing, and the gala evening with the awards ceremony, all guests can expect an interesting program with excursions and technical visits to several major global companies in Baden-Württemberg.

Further information can be found on our website [worldploughing2018.com](http://worldploughing2018.com).

The "Kuratorium Weltpflügen 2018 e.V." invites all members of the World Ploughing Organisation to Germany and is looking forward to your arrival and participation.

During the main event on September 1st and 2nd September, we also offer the numerous visitors from near and far an attractive program with many highlights for the whole family. Local food and drinks and a „regional speciality market“ with homemade agricultural products from local farms round out the program.
